Our Meat Market was established in 1855 thirty-four years ago, on the corner of South Main and Wood streets, where we are still located. The above fact proves con-clusively that we have attained marked success in catering to the wants of the public, and should be accepted as a sufficient guarantee for the future. We can as before supply you with the best of everything in our line, and only ask for a continuance of the very liberal patronage heretofore hestowed, being satisfied that we may MEAT all demands made upon us.

Baked fresh every day by neat, careful and skillful workmen. Have the City Bakery wagon stop at your house for a few days and try our bread. We make all kinds, both white and brown.
